

CILT (UK) Professional Diploma in Logistics and Transport (Level 5) Information Sheet

To achieve the CILT (UK) Level 5 Professional Diploma in Logistics & Transport, learners must complete four units; two mandatory unit as well as a combination of two option units, at least one of which must be taken from Option Group 1.

The two mandatory units are assessed by examination. The option units can be chosen from the units of the Option Group 1 and 2; each of these units will be assessed by a set of four assignments. Learners are required to choose one unit from Option Group 1 and one unit from Option Group 2.

Each examination is 3 hours long and requires learners to answer 3 out of 4 questions, each requiring a longer answer in the form of an essay or a more lengthy calculation. Each of the eight assignments carries a word limit of 2,500-3,500 words.

Face to face sessions for option units in Group 1 and Group 2 will only be available depending on viable number of learners. However, for units in Group 1 and 2 where face to face sessions will not be available, learners can still choose the units and study independently.

All materials will be available in soft copy
