Dear Learners,

Registration/Re-registration

Open University of Mauritius (OU) welcomes the decision of the Government to provide free tertiary education up to degree level.

We are confident that this measure will enhance access to tertiary education. We will implement the decision while ensuring the delivery of quality education to all.

We advise all undergraduate learners to complete their registration/re-registration of modules online by **31 January 2019**. A communiqué on fees structure will be issued in due course.

All post-graduate learners must proceed with their registration/re-registration as per the usual procedures, including payment of fees.

The induction session for new learners will be held on **2 February 2019**.

The first tutorial session will be on **9 February 2019**.

Thank you for your understanding.
