Director Development Programme

Take the next step in your professional governance development

The Director Development Programme is a prestigious programme that positions participants at the heart of the learning process, assisting existing Directors, aspiring Directors, Managers and Leaders to strengthen and master governance practices with innovative tools and resources.

The Programme is run by Open University of Mauritius (OU) and the Mauritius Institute of Directors (MIoD), two high calibre institutions which are combining their expertise in open distance learning and director training respectively, to provide a unique learning package for the first time in Mauritius.

The programme has been conceived to offer busy, high level cadres the opportunity to study in a flexible manner, with minimum disruption to their family and professional schedules.

We are also pleased to announce that our stand-alone modules offered are all MQA approved. Companies registered with HRDC can claim up to 75% refund if they wish to sponsor staff.

Awarding Body: Open University of Mauritius

Chartered Director Status: Mauritius Institute of Directors

ALL YOU NEED TO KNOW

STAND-ALONE

MODULES

(No entry requirements)

MQA APPROVED

Module 1 - Corporate Governance

This module provides an understanding of the key principles and elements of good corporate governance systems. Participants will be able to identify challenges and ways to respond to corporate governance concerns. The key stakeholders will be introduced in this module and their importance will be discussed. Through this module, participants will also study ethical issues related to corporate governance.

Module 2 - The Board and its Role

This module provides an understanding of the role and authority of a board and the relationship between board performance, its structure and membership. The roles of each board member and the workings of the board will be discussed. Participants will acquire knowledge on how to manage challenges of the boardroom and how to bring effective results.

Module 3 - Corporate and Financial Reporting

This module provides an insight into financial statement analysis and will explore the financial stewardship and accountability obligations of the board to shareholders and stakeholders.

* Same conditions apply for the stand-alone modules in Level 2 and 3.
