

Additional FAQs

For learners

1. We have not got any invitation link for the online class. Who will post the Zoom link?

The zoom link will be provided to you by your tutor in case he/she is conducting online tutoring via Zoom. Most probably the link will be provided to you by your tutor either through the Moodle platform or by email just before conducting the online session.

For tutors

1. How do I communicate with the learners once I have created the Zoom link?

Tutors **MUST INVITE** the learners by using the list of email addresses from the Moodle platform.

2. How do I proceed with the online session for common modules?

You need to post the same zoom link under each common module page on Moodle.

3. Moodle accepts 30 MB for video upload. How will I upload videos that are greater than 30 MB?

If you have a Gmail account, you may use Google Drive that automatically comes with 15 GB of storage space for free. You may upload the videos there and share the link with the students. If you don't have a Gmail account, you may use Dropbox. A Dropbox Basic account is free and includes 2 GB of space.
