

OPEN UNIVERSITY OF MAURITIUS

NOTICE TO ALL LEARNERS

AMENDMENT OF JULY/AUGUST 2020

EXAMINATION TIME TABLE

Open University of Mauritius (OU) had planned to use the Queen Elizabeth College (QEC), as one of its Examination Centres, for the July/August 2020 examination as from 1 July 2020.

As you are aware, schools will now resume for all students, including secondary school students, as from 1 July 2020 instead of 3 August 2020. Consequently, the QEC will no longer be used as an Examination Centre by OU for the July/August 2020 examination.

OU has to review the July/August 2020 examination time table. However, it should be noted that the starting date of the examination will still be 1 July 2020. The amended time table will be issued shortly.

All learners are hereby informed that the testimonials issued regarding examination time table are no longer valid. New testimonials will be issued after the examination time table has been reviewed.

We rely on the comprehension of all our learners in these exceptional circumstances.

Thank you.
