

Examination

How will I register for the examination?

Your University will inform you when to register for the exams. Then you will have to start the registration process for the modules in which you are going to be examined. Further information will be provided.

Will Access be provided to past exams paper?

This will depend on your Universities policies and practices. However, you will receive guidance for exams.

Where will I sit for the exams?

At the learning centre of the Open University of Mauritius. All info will be provided by the Indian Universities where local exams will be monitored at a distance even if exams are online.
