3. PROGRAMME OVERVIEW	
Aim and Objectives of the programme	The BA (Hons) Bachelor of Laws (LLB) aims at providing the learner with a well-rounded education in common and civil law including its relationship to Canon law, Conventions and International law among others. By providing substantive and detailed knowledge of core legal subjects, the programme will allow learners to appreciate the social, national and global contexts within which law operates. As such, they will be equipped with the tools to recognise and deal with legal ambiguity and provide alternate solutions and critical approaches on the job market. This programme has been devised for learners willing to reflect upon their progress, foster engagement with personal work and aiming at becoming jurists either from the individual or corporate perspective.
Intended Learning Outcomes: After completing this programme, students will be able to:	
Knowledge and Understanding (K)	K1: Explain the principles and values of law, questions of justice and ethics K2: Assess the application of sources, concepts, rules, structures in social, national and global contexts K3: Enhance critical thinking to appraise ambiguity and uncertainty in law K4: Evaluate the interrelationship between different branches of law.
Cognitive Skills(C)	C1: Ask and answer cogent questions about law and legal systems, identify gaps in legal knowledge and acquire new knowledge by engaging in critical analysis and reflection C2: Study in-depth and in context substantive areas of law

	C3: Synthesise relevant doctrinal and policy issues to present a reasoned choice between alternative solutions and assess the merits of particulars legal arguments C4: Evaluate the concepts, principles and policies and make critical judgements/reasoned choices between alternative solutions and/or merits of particulars arguments.
Practical/ Professional Skills (P)	P1: Apply the different principles of law in solving a range of complex business problems P2: Acquire and develop a legal approach in the analysis of a situation and advocate reasoning at the workplace P3: Recognise and resolve business issues from an ethical perspective P4: Assess legal issues from the Mauritian hybrid reality P5: Apply knowledge and understanding to offer conclusions addressing complex or actual, or hypothetical problems.
Transferable skills (T)	T1: Effectively communicate ideas and arguments in writing and orally T2: Demonstrate skills of self-management with an ability to reflect on own work T3: Work effectively either individually or collaboratively and engage with own personal and professional development and academic integrity T4: Conduct self-directed research leading to an essay or dissertation.

5. LEARNING AND TEACHING STRATEGY
Learning and Teaching Methods: Students will be provided with opportunities to engage in a diverse range of learning environments to maximise their learning. For this programme, students will interact with their tutor during face-to-face sessions as well as through the e-platform. The face-to-face sessions are an opportunity to untangle complex concepts and provide students with an opportunity to apply the knowledge acquired in the preceding weeks. During the face-to-face sessions, students can be expected to: - Engage in problem-solving activities - Engage with reading material to engage in class discussions - Review core/complex concepts through applied work.

The e-platform will use the following tools:

- Online activities: for every unit covered in each module students will be given opportunities to complete interactive learning activities including discussion forums, quizzes, webinars and problem-solving activities. Students will be encouraged to work independently but also to engage in collaborative work.

- Independent study: Independent study forms an essential part of the development of your knowledge and understanding. We will guide you, via the e-platform, on the reading and reflection of primary and secondary texts. Students should use this independent study time to link knowledge with e-class and face-to-face activities and develop their understanding and critical perspective on the topics they are studying.

Dissertation Supervision:

Students will have to undertake a dissertation, supervised by one of our tutors with expertise in the area of the project topic. Students will have the opportunity to meet with the supervisor to explore the topic, receive guidance on the conception and development and receive feedback on the work as it progresses.

Overall Workload:

Your overall workload as a student consists of independent learning, e-learning activities and, if you choose to, face-to-face sessions. The following gives you an indication of how much time you will need to spend on the different components of your programme at each level. Each ECTS credit taken equates to 25 hours of study time.

The expected study time for this programme will be as follows:

Year 1: 1,500 hours for 60 ECTS credits.
Year 2: 1,500 hours for 60 ECTS credits.
Year 3: 1,500 hours for 60 ECTS credits.

Typically, for each year of your degree, you will spend 0-10% of your time in face-to-face sessions, 30-40% of your time engaging with e-learning activities and 60% of your time in independent study time.

A typical study week for a student will involve some optional face-to-face sessions, required engagement in an online discussion forum, the completion of online activities and independent study time to review attached readings, textbooks and relevant sections of the module documentation. Students should expect to devote 8 to 12 hours of study time per week per module.

These are indicative and may vary from student to student.

6. ASSESSMENT STRATEGY

Assessment Methods

A range of formative and summative assessment exercises are designed to enable you to demonstrate and apply your knowledge and understanding. Excluding the law clinic and the dissertation, modules will consist of Tutor Marked Assessment components and/or an examination.

TMAs include:
- Class tests
- Individual/Group presentation
- Online activities
- Essay type questions
- Case study
- Coursework

Assessment mapping: See Appendix page 14.

For the law clinic, learners will have to complete at least 60 hrs of work placement followed by the submission of a report.

Academic Feedback

Throughout your studies, tutors will provide informal feedback on your coursework, online activities and class contributions. Feedback may be individual or provided to the class as a whole.

Each summative assessment will be accompanied by detailed marking criteria and a marking scheme detailing the expectation of the assessment at each grade classification level.

Feedback on assessment will be provided along with the marking criteria. Marking criteria will be made available to the student at the same time as the coursework/assessment details.

Students will receive written individual feedback on all TMA components.

The University Policy on Assessment Feedback and Guidance on Provisional Marks can be found in General Rules.

Late Submission, Extension and Re-sit Policy

The University Policy on Late Submission, Extension and Re-sits can be found in the General Rules.

Special Circumstances

The University Policy on Special Circumstances can be found in the General Rules.

Continuous Assessment and Exam Regulations

The University Regulations on Continuous Assessment and Examination can be found in the General Rules.

7. ACADEMIC MISCONDUCT

As a safeguard to the quality and standard of Open University's qualifications and awards, the University takes any incidence of academic misconduct seriously and will investigate any reported case.

Academic Misconduct refers to any activity where a student, through unpermitted means, seeks to gain an advantage in the completion of an assessment. Any unpermitted action will be considered as academic misconduct when occurring during a formal examination, a TMA, or any other form of assessment considered by the Board of Examiners and undertaken in pursuit of a University qualification or award.

Plagiarism (using, intentionally or unintentionally another person's work and presenting it as one's own) will be systematically checked through an automated plagiarism detection software: Turnitin.

Any suspected cases of academic misconduct will be reported and investigated. Academic misconduct offences may lead to suspension or expulsion from the University.

The University Regulations on Academic Misconduct can be found in the General Rules.

9. GRADING

Grading System:

Assessments are graded in percentage and correspond to a letter grade and a grade point.
To pass a module, students need an overall 40% weighted average of their:
   a) combined continuous assessment (TMA) and examination.
      Or
   b) combined coursework and examination.

Marks (x) %	Description	Letter Grade	Grade point
X ≥ 70	Excellent	A	5
60 ≤ X < 70	Very Good	B	4
50 ≤ X < 60	Good	C	3
40 ≤ X < 50	Satisfactory	D	2
X < 40	Ungraded	U	0
Non-graded/Pending	See section 17.1.1 in Assessment Rules and Regulations for pending grades letter codes.		

Students will normally not be allowed to postpone more than two modules for the following semester.

If a student obtains grade "U" in three or more modules in the same semester, and the CPA is below 40 for that semester, the student will be requested to repeat the semester unless decided otherwise by the Academic Council upon the recommendation of the Board of Examiners. When repeating a semester, a student may or may not take the modules for which Grade C or above has been obtained.

If after completing a level, the student's CPA < 40, the student will have to repeat the entire academic year and retake the modules as and when offered. However, s/he will not be required, if s/he wishes, to retake 3 module(s) for which Grade C or above has been obtained.

Students will not be allowed to repeat more than two semesters during the entire duration of the programme.

University general marking criteria for undergraduate exams and undergraduate dissertations can be found in the General Rules.

Cumulative Point Average (CPA)

Total CPA for Undergraduate degrees is calculated by:

   a) Multiplying the module credit by the % marks for the module and then summed up and divided by the total credits attempted over the cumulative period at each level (1 semester or 1 year). AND

b) Taking the weighted average of the obtained CPAs at each level. The respective weights being set as follows: the CPA of level 5 modules (year 1) will be weighted at 15% (0.15), the CPA of level 6 modules (year 2) will be weighted at 35% (0.35) and the CPA of level 7/8 modules (year 3 and/or 4) will be weighted at 50% (0.5).

Example calculation of the CPA at level 5 for undergraduate programmes:

Course Level 5	% Scores	ECTS Credit Unit	Module Credit x % Score
OUba029111	64	5	64*5 = 320
OUba029112	71	5	71*5 = 355
OUba029113	44	10	44*10= 440
OUba029114	59	5	59*5= 295
OUba029115	60	5	60*5=300
OUba029121	65	10	65*10=650
OUba029122	75	5	75*5=375
OUba029124	65	5	65*5=325
OUba029125	75	5	75*5=375
OUba029126	70	5	70*5=350
Total	-	60	3785
CPA = /60	**-**	**-**	**63.08**

Example Calculation Total CPA:

Level	Score	Weighted score
CPA level 5 (60 credits)	63.08	63.8***0.15** = 9.46
CPA level 6 (60 credits)	63.4	63.4***0.35** = 22.19
CPA level 7/8 (60 credits)	65.5	65.5***0.5** = 32.75
Total CPA (180 credits)		**64.4**

	10. PROGRESSION, EXIT POINTS AND AWARD
Progression	If a student fails to achieve 60 credits at the end of a year level, the Board of Examiners will decide about the student's progression. At its discretion, the board of Examiners may: - allow a student to carry forward up to 15 credits in the following year level to retake these units in attendance - require the student to repeat the year - award an exit award once you've exhausted all the opportunities to retrieve failed assessment.

Classification of Awards	For the award of the Honours degree, all modules of the programme must be completed.
	The Certificate of Higher Education and the Diploma of Higher Education are awarded as possible exit points in the programme as indicated in the table below:

Award	Title	Level NQ-MQA	Total required Credits	Classification
BA (Hons)	Bachelor of Laws	8	180	**1st Class Honours** (First): CPA ≥70 **2nd Class 1st Division Honours** (2:1): 60 ≤ CPA <69 **2nd Class 2nd Division Honours** (2:2): 50 ≤ CPA < 59 **3rd Class Honours:** 45 ≤ CPA < 50
Ordinary BA	Bachelor of Laws	7	180	**Pass:** 40 ≤ CPA < 44
Diploma in	Law	6	120	**Distinction:** CPA ≥ 70 **Pass:** 40 ≤ CPA < 69 **No Award:** CPA < 40
Certificate in	Law	5	60	**Distinction:** CPA ≥ 70 **Pass:** 40 ≤ CPA ≤ 69 **No Award:** CPA < 40

11. STUDENT SUPPORT

Support available through: studentsupport@open.ac.mu

12. HAVE YOUR SAY

Open University values student feedback and students will be given opportunities to have their say on their learning experience in the following ways:

- Student programme and module evaluation surveys
- Acting as a student representative and participating in a range of committees such as the staff-student consultative committee
- Participating in programme validation processes.

The University will respond to student feedback through the following channels:

- Response and action taken following the module evaluation survey will be posted on the e-platform
- Action from minutes will be monitored by the chair of the relevant committees
- An annual programme monitoring process will take into account student feedback
- Programme review process (every five years).
