Director Development Programme

Director Development Programme

Take the next step in your professional governance development !

The Mauritius Institute of Directors, in collaboration with the Open University of Mauritius, is pleased to offer the Certificate and Diploma Courses in Corporate Governance leading to the Chartered Director Status.

Whether you are starting, strengthening or mastering your governance practices, this programme provides an integrated system of learning which combines the required knowledge and skills, as well as a demonstrated and validated experience in a well-established and coherent framework, enabling participants to keep up to date on strategic issues and changes that affect organisations. You will also get a minimum of two free coaching sessions when signing up for the whole programme!

The modules are offered in the form of blended learning, comprising face-to-face sessions, online learning, work-based learning and self-learning. These are spread over a period not exceeding two months.

Module 4 - Risk Management and Ethics

This module aims to explore the role of the board in formulating, and implementing strategy and managing business risk. The key performance indicators to evaluate CEOs and other executive directors' performance are identified in this module. The participants will have an exposure to the application of risk assessment, strategic management, and decision-making frameworks in the changing business environment within an ethical perspective.

Module 5 - Leading Strategic Change

This module of the Diploma explores the roles played by change agents in leading strategic change initiatives. Participants will be able to communicate for need for change in an effective manner by setting up a plan in consultation with all concerned parties. The establishment of specific support systems and the strategies to bring about effective change will be explored.

Module 6 - Intricacies & Challenges for the Board

This module examines the dynamic relationship between board performance and its structure and membership. This module thus equips participants with basic notions, skills and competencies to understand the role of the Board, that of its members and the difference between a functional versus a dysfunctional Board. The module also deals with measures to address disagreement between different parties and the Board and recommends methods to enhance the Board's effectiveness.

CHARTERED DIRECTOR STATUS

[Not MQA Approved]

Taking your development to the next level !

The Chartered Director Status is a non-taught component that consists of a professional review that assesses the participant's experience of applying governance leadership in their role as a director. Through the submission of a portfolio of evidence, participants need to demonstrate an internationally accepted level of competence in areas such as governance, finance, strategy and leadership for effective board performance.

Requirements

Admission into the Chartered Director Status requires:

- A pass in the MloD Certificate and Diploma in Corporate Governance
- Demonstrated experience as an active member of an autonomous board or equivalent comprising at least three directors (executive and non-executive) who meet a minimum of 4 times per year
- Have a minimum of three years' experience as a director if you hold a degree or professional qualification (e.g. ACA, CIMA, ACII, CEng, CIP, etc.) or five years' experience as a director if you do not hold a qualification. The Chartered Director qualification is an experience-based assessment.

Note

Admission to the Postgraduate Certificate, Postgraduate Diploma and Chartered Director Status requires to be a fully-paid member or fellow of the Mauritius Institute of Directors.

Duration

The Director Development Programme allows for interruption of studies after the completion of the Postgraduate Certificate or after the completion of the Postgraduate Diploma. Participants wishing to resume their studies after an interruption will be allowed to do so, provided that they are within five years' time limit for the completion of the Director Development Programme.
