

OPEN UNIVERSITY OF MAURITIUS

EXECUTIVE SUMMARY

on

The BID Evaluation Report on the Proposals for Civil/Structural Services Engineering Consultancy Services for the Construction of a New University Campus at Cote D'or.

1. **Scope of works**

In line with its Strategic Plan, the Open University of Mauritius intends to develop a new campus on a portion of land of 10 Arpents situated at Côte D'Or in three phases which will comprise the following:

- a) Masterplan;
- b) Phase 1 - Construction of an Academic Block of approximate floor area of 15,000 sqm including services, amenities and external works.
- c) Phase 2 - Construction of an Administrative Block of approximate floor area 8,000 sqm including services, amenities and external works.

Construction of the two phases will be undertaken through two separate and distinct contracts. The Open University of Mauritius shall use its own funds for the construction of its new Campus.

The scope of Works is fully described in the Bidding Document.
